Get ready to be **inspired...**

As your trusted partner in the product media industry, we offer a meaningful collection with products and brand that last and that people love to use.

Our ambition is not only to offer more sustainable products but to also help you and your customers make a better choice. In our joint sustainable journey, you can trust us to be transparent, to provide you with data and that we work with third-party validation and proof.

To help you choose the perfect gift, our House of Inspiration 2023 catalogue provides a clear overview of our product media collection and inspires you with:

- More sustainable products
- Your favourites – our bestsellers
- Quality brands
- How to create one-of-a-kind products with our 'Create your own' service

Featured brands

Brands make a product stand out and are trustworthy with the delivery of a consistently positive experience. We offer top quality products from the best brands. Brands you can rely on, brands that you can trust.

APPAREL

A woman with her hair in a bun, wearing a white hoodie and light blue jeans, is looking at several jackets hanging on a black metal rack. She is reaching out to touch a dark grey puffer jacket. The background is a plain, light-colored wall.

Promotional apparel with an ever-increasing emphasis on sustainable choices.

LET'S ELEVATE YOUR BRAND

In the world of branding, consistency is everything. Consistent look, consistent feel, consistent values. And of course, consistent high quality. Those who take branding as seriously as we do are only satisfied when their brand experience perfectly reflects their brand identity. Down to the very last fiber.

When it comes to branded apparel, this is where the bar should be set. **Brands that are worn with pride are brands that last.** Elevated in people's preference. This is what Elevate is all about. It's in our name, it's in our nature; it's in everything we do. From the design, to development, down to the actual delivery. We're right on top of it all. That's how we guarantee quality and consistency for every single piece of branded apparel we deliver. Suited for everyone, every single time.

A collection of blue and black bags is displayed on a light-colored, textured sofa. In the foreground, a blue bag with black straps and a zipper is prominent. In the background, another similar bag is visible. A blue fringed blanket is draped over the sofa. The entire scene is framed by a large white circle with a thin white line around its perimeter. A semi-transparent white rectangle is centered over the image, containing the word "BAGS" in bold black text.

BAGS

We offer a variety of bags with an increased focus on and development of sustainable materials.

For every journey near or far

Thule has been focusing for 75 years on developing smart, stylish products that:

- Inspire a healthy and active lifestyle.
- Are easy to use, high quality, and can be used for a long time.
- Minimize the environmental impact throughout their life cycle through eco-design, choice of materials, manufacturing method and the possibility of recycling.

From briefcases, to backpacks, tablet cases to laptop sleeves, Case Logic designs tools that make life easier and more accessible.

A person is shown from the back, wearing a black jacket and a white hoodie. They are carrying a large, black, multi-pocketed backpack. The person is standing in an urban environment, with a concrete wall and a building with a red and white striped tower in the background. The lighting suggests it might be dusk or dawn. The text "LIFE, SIMPLIFIED." is overlaid in the center of the image.

LIFE, SIMPLIFIED.

People around the globe are asking: How can we save our oceans from plastic pollution? We listened and came up with a meaningful way to address the problem head-on. **REPVEVE** Our Ocean are using ocean-bound plastic bottles. Plastic bottles are collected by hand from areas within 50km of coastlines that do not have a formal waste or recycling system.

A modern desk setup featuring a black speaker on a shelf, a glass of paintbrushes, a teal notebook, and a white notebook. A large white circle is overlaid on the image, with the word "TECHNOLOGY" centered in bold black text.

TECHNOLOGY

A black metal shelving unit is shown against a light grey wall. On the top shelf, a green plant with heart-shaped leaves and small orange flowers hangs over the edge. A pink rope is tied to the left side of the top shelf. On a lower shelf, a pair of black over-ear headphones is hanging from the metal bar. The headphones have large, textured ear cups and a black headband.

Innovative, high-quality, sleek and yet affordable tech products that fit every user's needs.

CREATE YOUR OWN

A brown paper shopping bag with a woven handle stands on a wooden surface. To its left is a white vase containing greenery. The bag features a stylized logo consisting of a large 'A' shape with horizontal lines, and two smaller 'C' shapes below it. A semi-transparent white box with a blue vertical bar on the left contains the text:

A world of possibilities. With Create your own, just about anything is possible
